With the prayer that sometime the nations of  
the world may unite in peace, we dedicate our  
annual to World Brotherhood.

"Lord, let war's tempests cease,  
Fold the whole world in peace  
Under Thy wings."

—Henry W. Longfellow

# Visitors From Other Lands

Seven foreign students from International House, New York City, came to visit our Dover community in January through the co-operative efforts of civic and school groups and interested persons. One of these students, Mr. Srinivasan, left the following thoughts with us:

The purpose of true knowledge through education is to realize and understand the differences among peoples and to work for a method by which we can make this world a happy place in which to live. These thoughts have been nobly expressed by the great dreamer 'Tagore' in Gitanjali in the following prayer;

"Where the mind is without fear and the head is held high;  
Where knowledge is free;  
Where the world has not been broken up into fragments by narrow domestic walls;  
Where words come out from the depth of truth;  
Where tireless striving stretches its arms towards perfection;  
Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit;  
Where the mind is led forward by thee into ever-widening thought and action—  
Into that heaven of freedom, my Father, let my country awake."

Each year two students are chosen by their classmates as representative senior boy and girl. On the basis of leadership, citizenship service, character, and personality the class this year chose Carol Lembright and Paul Mitchell.

#### Carol Lembright

Carol, who is known to us as this year's efficient student council president, is in every respect a representative student. Her busy schedule includes membership in Y-Teens, Future Teachers of America, Orchestra, and Usher Club. In her junior year Carol's outstanding record was recognized as she became a member of the National Honor Society. Also during her junior year, Carol was chosen to represent her class as a delegate to the Key-Isle State. Carol's attractiveness and pleasant personality have won the respect of all who know her.

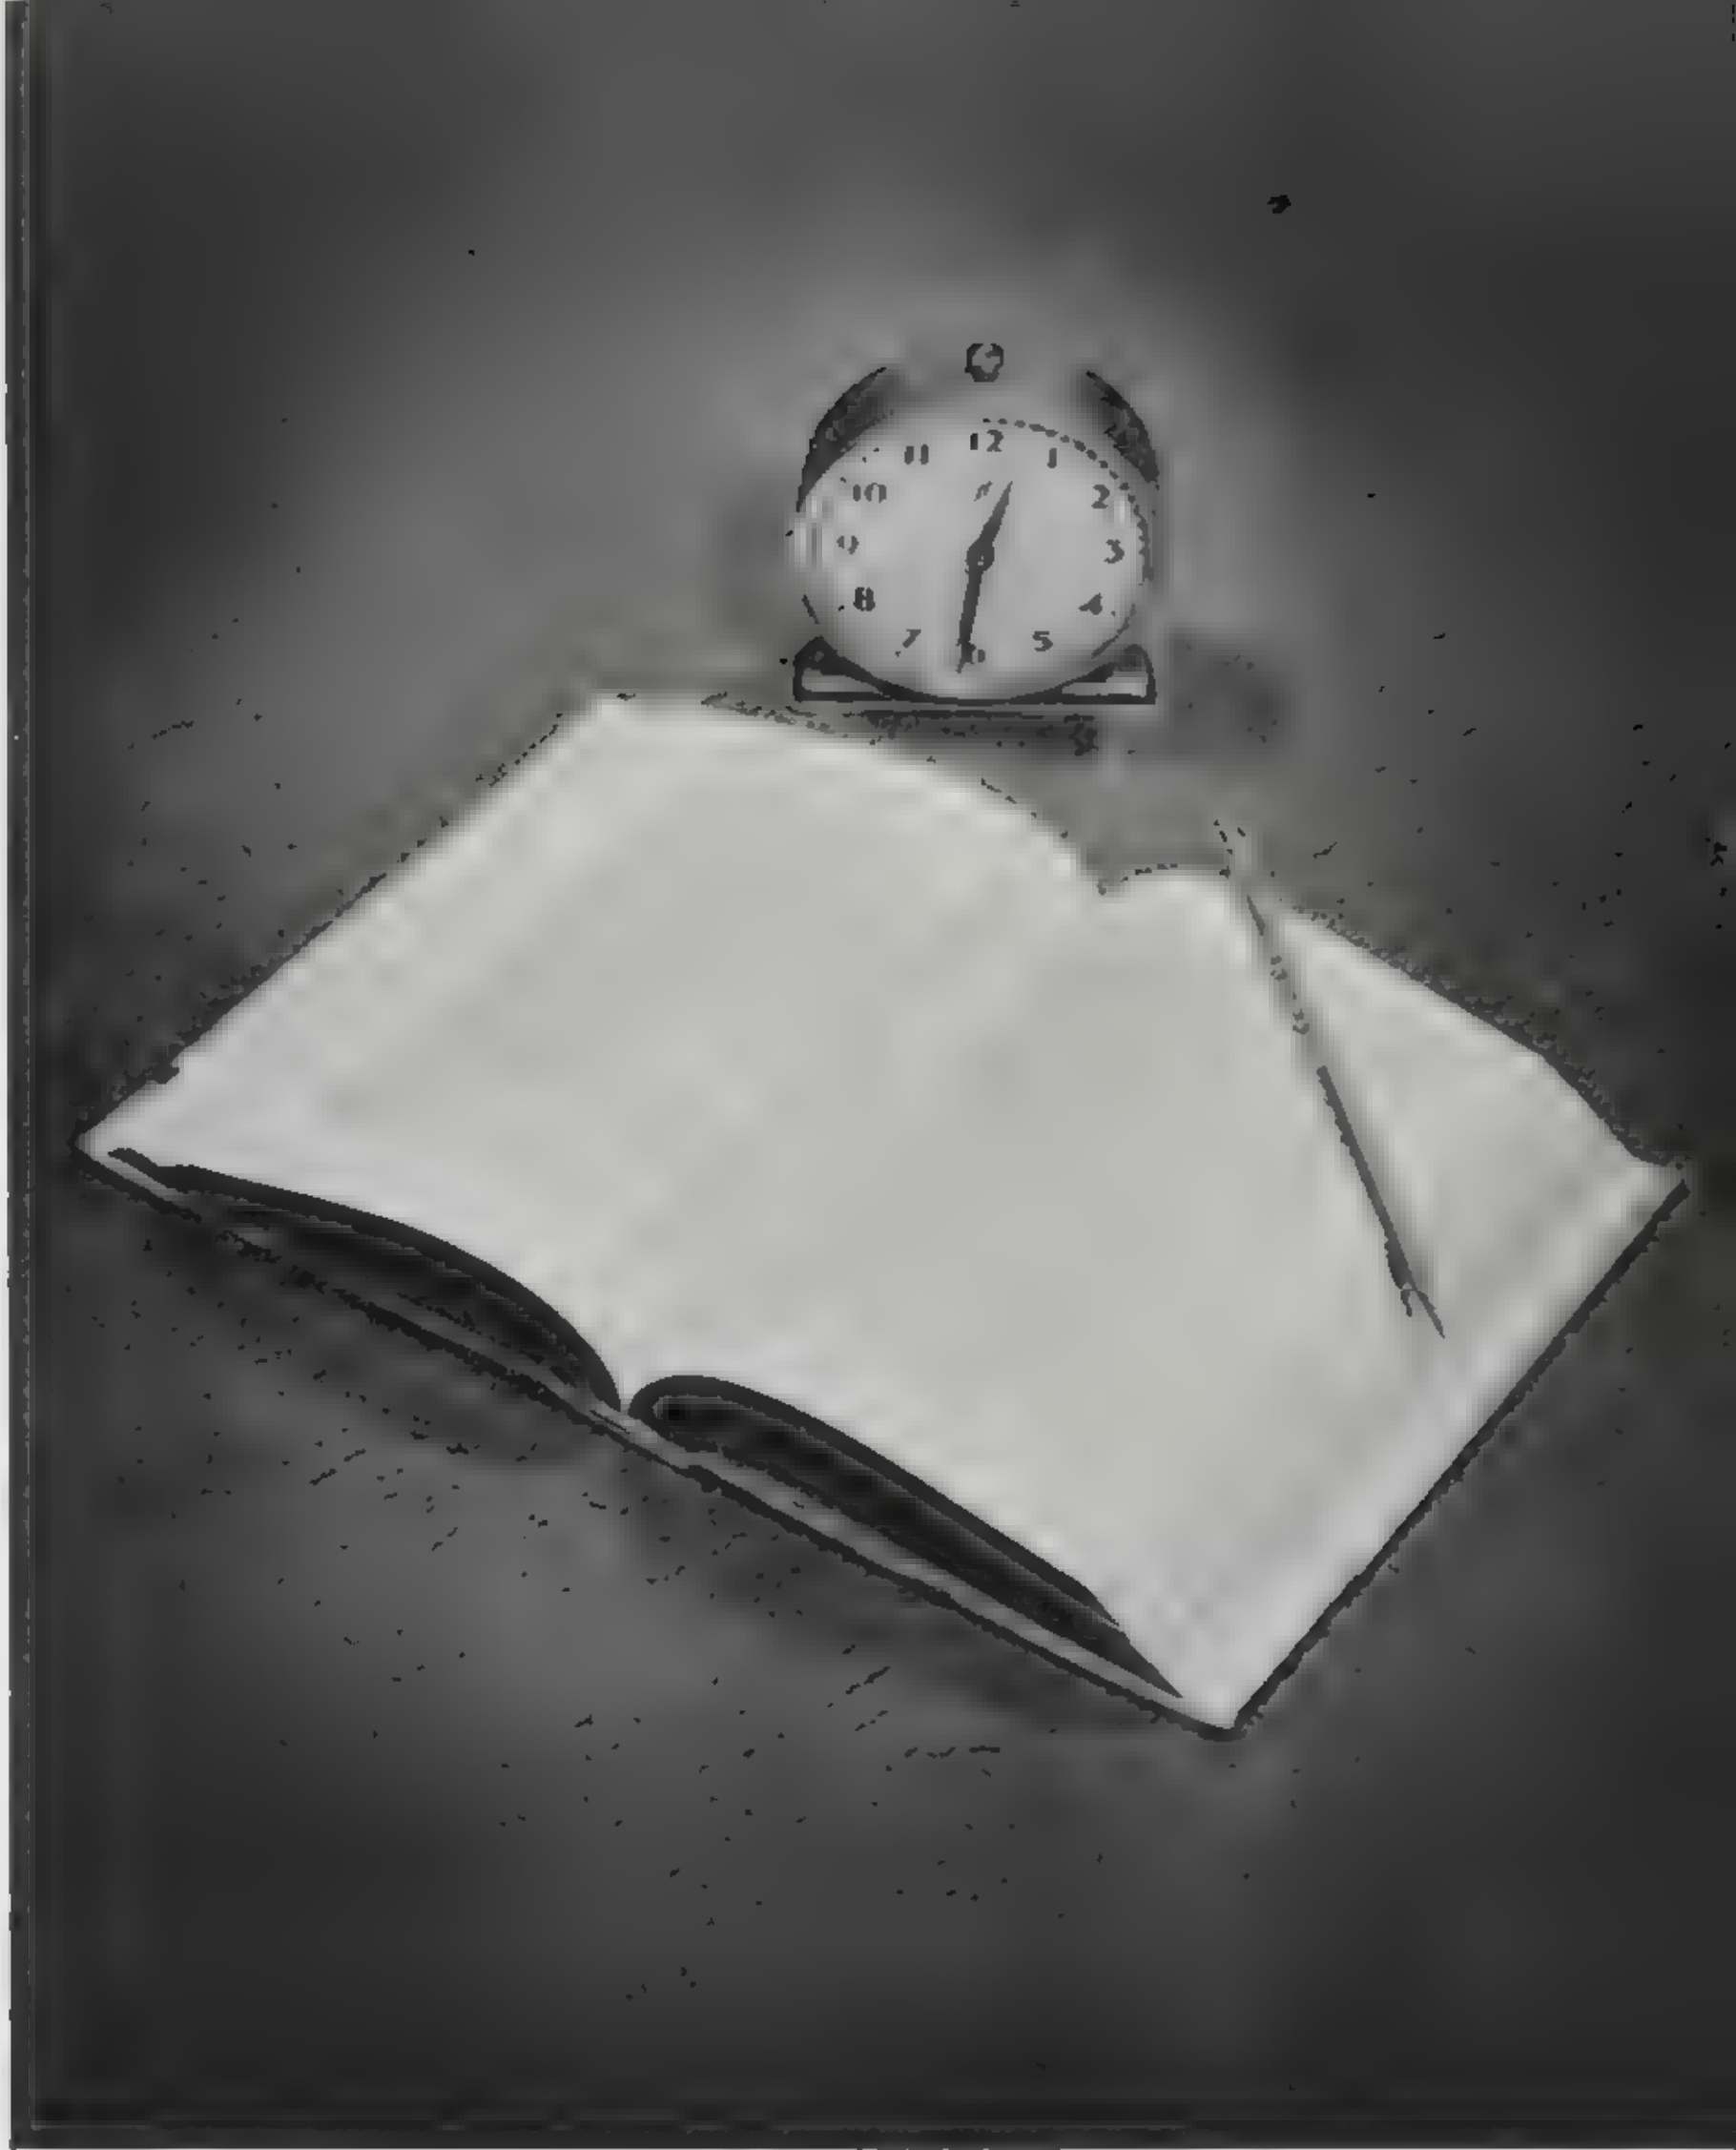

## Representative Seniors

#### Paul Mitchell

Paul, known by all as a 'pal', has well earned the honor of Representative senior boy. Paul capably serves as this year's H. Y. president and as a junior he led his classmates through a successful year as their president. Aside from these activities, Paul still finds time to participate on the football and track teams, serve as a member of the stage crew, and act as manager of the basketball team. Although Paul is very busy with these many activities, he still maintains a high grade average which won his membership in the National Honor Society.

We, the class of 1955, would like to wish Carol and Paul success as they continue to be representative in all they do.

# *Underclassmen*

The Juniors have met the challenge of the year by working hard on projects to make their Jr.-Sr. Prom enjoyable for all. They have proved their abilities in choosing a class ring, class colors, flower, and motto. They can set their hopes high for their coming Senior year

The eighth graders sold Forget-Me-Nots for the Disabled Veterans and with the profit gained they purchased figurines of all the presidents of the United States which will be used for the American History classes. ## A black and white photograph of two young men standing side-by-side. They are both wearing white sweatshirts with the word "Dorner" printed in a cursive font across the chest. The man on the left is holding a book in front of him. The man on the right is also holding a book, though it is less visible. They are both looking directly at the camera. The background is dark and out of focus.

## Miss Mujais

Although this is her first year, Miss Mujais has capably and conscientiously accepted the role of girls athletic instructor. Many new ideas, such as exercises, personal grooming, good posture, and a greater emphasis on team work, are being used in her gym classes. As advisor of the Leaders Club, Miss Mujais has helped leaders to revise their constitution and the intramural program.

The students of Dover High School extend a hearty welcome to Miss Mujais and wish her the best of luck in the years to come.

## Mrs. Herman

Mrs. Herman is a "must" around the girls' locker room, for a more friendly and capable person is not to be found.

Handy with a needle, she often employs the old proverb, "a stitch in time saves nine." Intramurals mean work for Mrs. Herman because she stays long after school hours to help and comfort the girls after hard games. Our hat is off to you Mrs. Herman, for a job well done.

# Alma Mater

We lift our voices in praise of thee  
Dear Dover High  
The gray and crimson let all men see  
Floating on high  
In victory's thrill or in defeat  
From truth and right we'll ne'er retreat.

Fairest Alma Mater,  
Unfurl thy banner fair  
May each son and daughter,  
Learn to do and dare.

Mem'ries dear we'll cherish  
Of our school days free  
Dear old Dover High,  
We'll always loyal be.
